

• FORD RANGER BREAM SERIES

The Ford Ranger BREAM Series is the premier bream circuit in the country. Nationwide qualifying events allow you to fish as a boater (with a boat) or as a non boater (randomly paired with a boating angler) to try and make it to the televised Ford Ranger BREAM Grand Final. This is the only pathway to the AFC.

New for 2009 is the ability to upgrade your boater entry to 'Pro' status. The additional cost of entry allows 'Pros' to be eligible for an extra prize pool. Back yourself in as a 'Pro' and you could be rolling in the cash.

Four Super Series events in 2009 allows anglers to make it through to that cut throat Sunday Shootout. These 3 day events are beefed up qualifiers that attract plenty of attention. Etch your name in the ABT record books and become part of the action.

BREAM Qualifiers – Pro \$330, Boater \$120, Non Boater \$110

BREAM Super Series – Pro \$500, Boater \$250, Non Boater \$110

• MOTORGUIDE BASS ELECTRIC SERIES

The MotorGuide BASS Electric Series is an entry-level series of BASS events open to all ages with low entry fees and the ability to fish alone, or with a partner of your choice. Payouts are product based with badges awarded to the top five anglers and Big Bass winners

As the name suggests these events are ELECTRIC MOTORS ONLY! The competitive streak in the many addicted BASS anglers has seen the popularity of these events grow to accommodate some large fields.

The top 5 from each event gain an invite to the MotorGuide BASS Electric Convention, Lake Boondooma, Qld – A culmination of winners from VIC, NSW and QLD battling it out for three Motorguide powered Bluefin punts.

BASS Electric Entries - \$20 on the day. Must be an ABT Member.

• AFFILIATED ABT EVENTS 2009

The popularity of these grass roots team events has seen further events added to the 2009 calendar. Giving anglers more tournament options and more time on the water.

These competitions are run by individuals under the ABT umbrella and are one or two day events that feature cash and product paybacks.

One in every ten teams in each BREAM Classic gain an invite to the ABT National BREAM Classic Championship. Where you and your angling buddy can battle to become crowned the No 1 BREAM team in Australia.

Classic Entries – refer to individual Classic Organiser

• BASS PRO SERIES

The most lucrative bass series in the country, the BASS Pro Series randomly pairs boating anglers (boaters) with co-anglers (non boaters) to fish for cash, prizes and berths in the BASS Pro Grand Final.

The BASS Pro Series is the only pathway to the AFC. The National BASS Pro Champ not only gets an AFC guernsey but scores a trip to the USA to experience tournament bass fishing American style.

New for 2009 is the ability to upgrade your boater entry to 'Pro' status. The additional cost of entry allows 'Pros' to be eligible for an extra prize pool. Back yourself in as a 'Pro' and you could be rolling in the cash.

BASS Pro Qualifiers – Pro \$330, Boater \$165, Non Boaters \$100.
