Speed Limits

- 10 knots within 30 metres of any moored boat, person or structure.
- Parramatta River: a 4-knot speed limit is in place 100metres to the east and west of the cable ferry between Putney Point and Mortlake.
- Be aware of speed limits around bridges (Sign posted)

Waterway Considerations

- Give way to Rivercats on Parramatta River, and be aware of their presence
- Boats not to anchor in shipping channels, near channel marks and fairway buoys

Safety Gear Requirements

For vessels up to 5 metres in length:

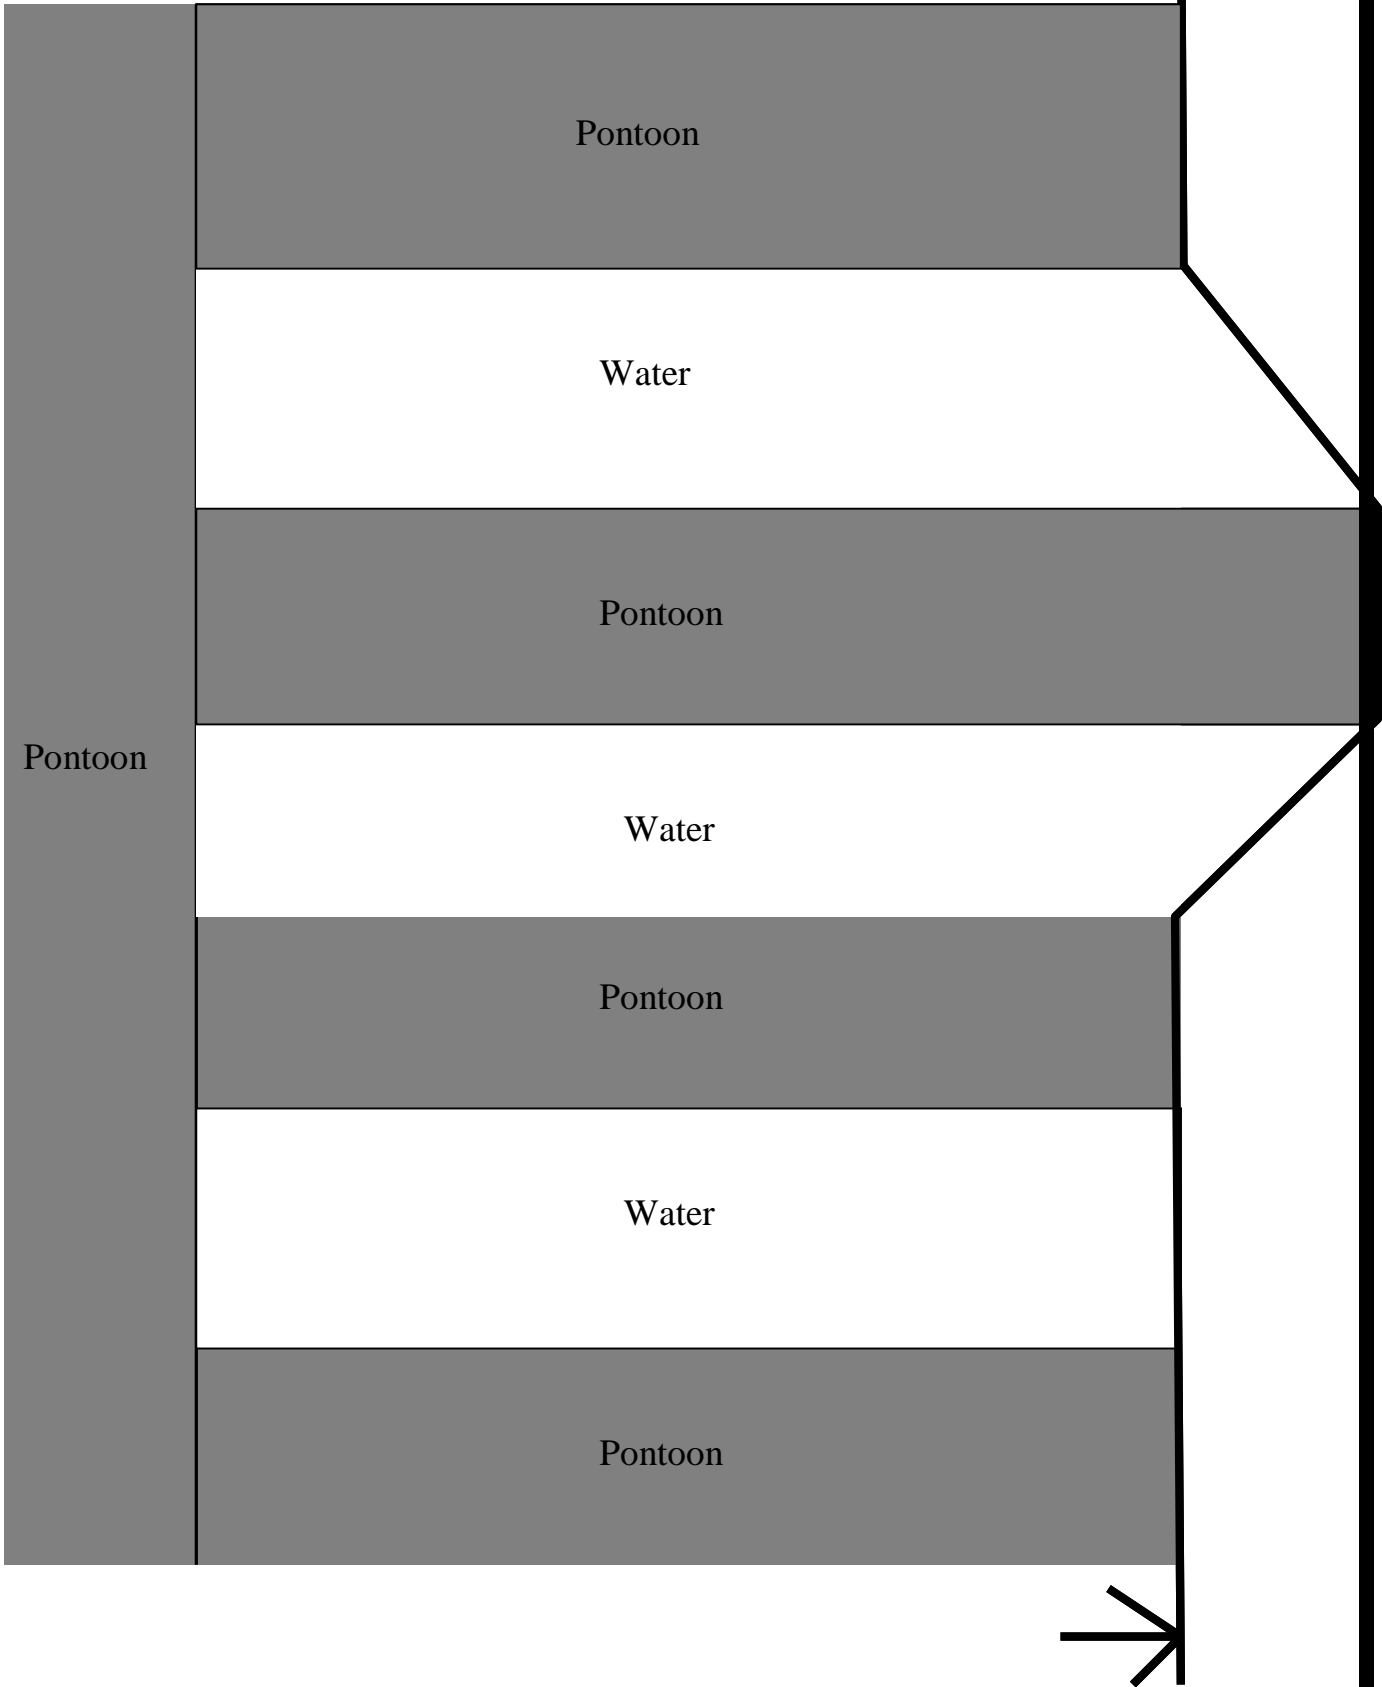

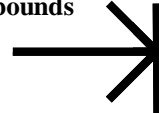

- PFD / lifejacket for each person on board
- one waterproof torch (required between sunset and sunrise on enclosed waters)
- navigation lights (vessels operating during sunset and sunrise or restricted visibility)
- fire extinguisher
- bucket and bailer with lanyard attached (minimum capacity 2 litres)
- paddles/oars
- sound signals (air horn/whistle/bell)
- anchor and chain (with line attached)

N.B. Breaches of these no-go areas will result in your day's catch being disqualified
