Blue Fin Boats

DAIWA BREAM SERIES

The Daiwa BREAM Series is the premier bream circuit in the country, and the only option if you want to be crowned the best breamer in Australia. Nationwide qualifying events allow you to fish as a boater (with a boat) or as a non boater (randomly paired with a boating angler) and qualify for the biggest event of season, the Daiwa BREAM Grand Final.

Anglers will once again have the option of upgrading their entry to 'Pro' status, with non-boaters also now having the option to go pro, and for the first time in ABT history fish for cash. Back yourself as a 'Pro' and you

could be rolling in the cash. Four Super Series events in 2011 allow anglers to make it through to the cut-throat Sunday Shootout. These three day events are beefed up Qualifiers that attract plenty of attention. Don't sit on the sideline in 2011 get out there and give it a go.

BREAM Qualifiers – Boater \$200, Pro (boater) \$300, Non Boater \$100, Pro (non boater) \$200
BREAM Super Series – Boater \$400, Pro (boater) \$500, Non Boater \$100, Pro (non boater) \$200

BLUE FIN BOATS BASS ELECTRIC SERIES

Blue Fin Boats takes the helm of the BASS Electric Series in 2011, with the entry-level series of BASS events offering anglers of all ages and budgets the opportunity to scratch their bass fishing itch. Anglers have the ability to fish alone, or with a partner of their choice, with payouts product based, and badges awarded to the top five anglers and Big Bass winner.

New for 2011 will be the 'Pro Up' option, with an additional \$20 entry on the day getting you in the 'Pro'

game and on the road to another first in the Blue Fin Boats BASS Electric Series, prize money. Also new for the season are a handful of two-day events with some of the more popular venues playing host to these super sized multi-day events.

Check out the calendar to find out where and when you can get your Blue Fin Boats BASS Electric fix. BASS Electric Entries - \$20, and optional \$20 'Pro' option on the day.

AFFILIATED ABT EVENTS 2011

Grass roots team events have exploded in recent years and 2011 is no different. Regardless of your species, location or budget there's an event on the calendar that's tailored just for you. If you're a tournament angler the angling options available have never been better or more numerous.

These competitions are run by individuals under the ABT umbrella and are one or two day events that feature

cash and product paybacks. For BREAM Classic anglers a percentage of teams at each event qualify for the ABT National BREAM Classic Championship, where you and your angling buddy can battle to become crowned the No 1 BREAM team in Australia.

Classic Entries – refer to individual Classic Organisers

SKEETER BOATS BASS PRO SERIES

The most lucrative bass series in the country, the Skeeter Boats BASS Pro Series randomly pairs boating anglers (boaters) with co-anglers (non boaters) to fish for cash, prizes and berths in the BASS Pro Grand Final. The Skeeter Boats BASS Pro Series is the only pathway to the AFC. The National BASS Pro Champ not only wins an AFC jersey but scores a trip to the USA to experience

tournament bass fishing American style. Anglers will have the option of upgrading their entry to 'Pro' status, with non-boaters also now having the option to pro up, and fish for cash. Back yourself as a 'Pro' and you could be rolling in the dough. BASS Pro Qualifiers – Boater \$200, Pro (boater) \$300, Non Boater \$100, Pro (non boater) \$200

ABT FLATHEAD QUALIFIERS

After a successful maiden series last year the ABT Flathead Series will be expanded for 2011. Six events will make up the series, with TAS VIC, NSW and QLD all playing host to rounds. Each event will take place on the Sunday of BREAM Qualifier and Super Series events, with entry on the morning of tournament, and prizes awarded on team basis.

Point scoring will be similar to BARRA events with a capture, record and release process. Anglers hand in their score sheet and digital camera memory card for length verification. Held in conjunction with the BREAM tournament weigh-ins, these tournaments will be full of excitement and entertainment. ABT Flathead Qualifiers – Entry Fee \$50 per team

DAIWA-HOBIE BREEM KAYAK SERIES

Competitors fish solely from kayaks in a series that visits WA, SA, VIC, TAS, NSW and QLD. The 15 qualifying round series culminates with the Daiwa-Hobie BREAM Kayak Grand Final that will see the field fishing from identical, factory supplied Hobie kayaks. For the first time the Grand Final will form part of the BREAM Grand Final week, with the Daiwa-Hobie final kickstarting the week at Port Macquarie in NSW, 29/30 October.

The series will be comprised of single, two day and State Title events, and will feature the 'Pro Up' option as per the BREAM and BASS events. The series shapes up to be exciting and one not to be missed for keen breamers and kayakers.

Daiwa-Hobie BREAM Kayak Qualifiers - \$50 per day of competition, Pro – additional \$50 cash.

DAIWA-HOBIE BASS KAYAK SERIES

Kayak anglers now have a bass tournament series designed especially for them. Run in conjunction with two of the Blue Fin Boats BASS Electric rounds anglers have the opportunity to fish two of south east Queensland's and northern NSW's premier bass fisheries, Lake Macdonald and Clarrie Hall Dam, in this inaugural catch and release bass fishing series.

Entry will be on the day of the event with a catch-photograph-release format similar to the BARRA and Flathead events deciding the champions for 2011. Visit australianbass.com.au and hobiefishing.com.au for more information. Daiwa-Hobie BASS Kayak Events - \$50 per day of competition, Pro – additional \$50 cash.
