Daiwa-Hobie BREAM Kayak Rules – 2012

SUMMARY

ABT BREAM Kayak events are designed to offer kayak anglers a competitive framework under the ABT umbrella. They are cast and retrieve, lure and fly only, and involves bringing your three biggest legal bream alive back to the weigh-in.

Like all ABT formats, BREAM Kayak will have its own events, rankings, payouts and prize schedule. Culminating in the Grand Final, where qualifying competitors will fish in identical sponsor-provided kayaks on a totally level playing field.

BREAM KAYAK SERIES

- One and two day events which are enter-on-the-day.
- \$50 (includes GST) entry fee for single day events and \$100 for two day events.
- Competitors must be ABT members.
- After registration and before the start, competitors' kayaks will be checked for empty livewells, safety gear and issued a key tag.
- Competitors must ensure that they have a minimum livewell capacity of 25 litres.
- After the pre-start briefing, there will be a shotgun start.
- All competitors must make their way to their desired spots by pedal or paddle-power.
- Competitors must have their key tags on the board by the nominated finish time. Failure to do so will result in time penalties at the rate of 50g per minute (or part thereof) late and disqualification of the bag for returns over 15 minutes late.
- All rules are applied as interpreted by the Tournament Director, and the Director's decision is final.

- Bream must be the minimum state legal length, plus 1cm (QLD – 26cm, NSW – 26cm, VIC-29cm, SA- 29cm, WA-26cm) and will be measured to the tip rather than to fork. The same rule of state legal size, plus 1cm will be applied in all states. Any undersized fish weighed in will be disqualified from the angler's bag.
- Bream must swim away from the weigh-in to be eligible. Dead fish, as deemed by the weighmaster, will not be eligible.
- A maximum of three fish are allowed to be kept at any one time.

EVENT FORMATS

- The series will feature one and two day events. Two day events will be a two day combined bag tournaments. Series will be run by ABT, SSBS, The Gamakatsu Team Series and the NCFB, and WA BREAM Classics.

- Each state hosting multiple events (QLD, NSW, & VIC) will use its last round as a two-day State Title deciding round.
- For an additional \$50 anglers can enter the 'Pro' division and compete amongst other Pro optioning anglers for an additional side pot of cash. Pro entries can only be paid for with cash, and will be paid out with 100% payback and with a 1 in 4 ratio.
